

Regulation CC Initial Disclosure

PURPOSE OF THIS DISCLOSURE. The information here describes our policy of holding deposited items in an account before funds are made available to you for withdrawal. This is our Funds Availability Policy. In summary, our policy is to make your funds available on the first Business Day after the day of deposit. Please refer to the section DETERMINING THE AVAILABILITY OF YOUR DEPOSIT for the complete policy.

For purposes of this disclosure, the terms "you"/"your" refer to the customer and the terms "our"/"we"/"us" refer to Guaranty State Bank & Trust Company. The term "account" includes any demand deposit, negotiable order of withdrawal account, savings deposit, money market account or other non-time deposit account.

DETERMINING THE AVAILABILITY OF YOUR DEPOSIT. The length of the delay varies depending on the type of deposit and is explained below. When we delay your ability to withdraw funds from a deposit, you may not withdraw the funds in cash, and we will not pay checks you have written on your account by using these funds. Even after we have made funds available to you and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

When we delay your ability to withdraw funds, the length of the delay is counted in Business Days from the day of your deposit. The term "Business Day" means any day other than a Saturday, Sunday or federally declared legal holiday, and the term "Banking Day" means that part of any Business Day on which we are open to the public for carrying on substantially all of our banking functions.

If you make a deposit before 3:00 p.m. on a Business Day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 3:00 p.m. or on a day that we are not open, we will consider the deposit made on the next Business Day we are open.

AVAILABILITY SCHEDULE. Our policy is to make funds from your cash and check deposits available to you on the first Business Day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once the funds are available, you can withdraw them in cash and we will use them to pay checks that you have written.

HOLDS ON OTHER FUNDS FOR CHECK CASHING. If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

HOLDS ON OTHER FUNDS IN ANOTHER ACCOUNT. If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

SPECIAL RULES FOR NEW ACCOUNTS. If you are a new customer, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first Business Day after the day of deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,000 will be available on the second Business Day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the first Business Day after the day of deposit.

Other Check Deposits. Funds from all other check deposits will be available on the second Business Day after the day of deposit.
